Report on Webinar on “Intellectual property rights”

Topic: Intellectual property rights

Date: 02/05/2020

Resource Person: Dr. B. P. Mahesh Principal SJRC law College. Bengaluru.

Objective: To bring in awareness about the Intellectual property rights

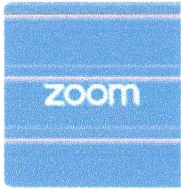

No. of beneficiaries: 75

On Zoom platform the webinar was conducted and about the IPR was explained through very informative PPT and the session was elaborate in its approach and in depth explanation. The speaker beautifully narrated about the legal rights of the creations and inventions from the intellectual activity in the industrial, scientific, literary and artistic work. The webinar created awareness on legal rights that protect creations and inventions resulting from intellectual activity in the industrial, scientific, literary or artistic fields. The most common IPRs include patents, copyrights, marks and trade secrets.

Outcome: The programme was successful in creating awareness and protecting intellectual property such as patents, copyrights and trademarks. 75 participants participated in the webinar and it was concluded successfully.

Research Cell

The Research & Development (R & D) Cell of SJRC facilitates and encourages research culture among the faculty members and students. Its prime role is to create contacts with the real world and promote research through a range of publications. The main objective of research cell is to establishment research activities at initial level and also to create an environment for the students to conduct research activities at UG and PG level. The research culture in the college motivates young researchers and research scholars to imbibe themselves in to research arena.

Research cell was inaugurated under the convenorship of Dr.Mylarappa.M on 20/02/2020 .Year 2020-21 was marked with various research activities for the inclusiveness of research culture in the college. To support this, following activities were taken place in the research cell.

- Paper publication in UGC approved journals
- Students projects and paper publications
- Collaboration for research activities
- MOU s were signed and international conference was conducted.

Enriched research activities made the year 2020-21 an year of research ecosystem in the College.

Research cell was inaugurated by Dr. S.G.Sreekanth Swamy consultant Vision Group Science and Technology (VGST)

Report on project training for VI Sem BCA students 2019-2020

Prof. Varish P V Assistant Professor, Reva University School of Computer Application handled the Project training for the students of VI Sem BCA during Jan-Mar 2020. Technologies like JSP, JDBC, HTML5, CSS, Eclipse IDE was explained and a sample project was demonstrated during the above training.

The schedule and topics covered in the training period is as follows:

Sl. No.	Date	Time	Topics covered
1.	18-01-2020	9.30 am – 3.30 pm	Project Introduction Project Software's installation Design methodologies Path Setting and Software configuration
2.	30-01-2020	1.00 pm – 4.00 pm	HTML,HTML5, JSP Training, Examples Project Templates Introduction to Servlets, JavaScript
3.	26-02-2020	11.00 am – 4.00 pm	Java Script , Data Base Design and Connection methods Project Design and Project Validation Registration page, Login Page with DB creation Introduction to JDBC and Eclipse
4.	29-02-2020	11.00 am – 4.00 pm	JDBC Integration of Templates in the projects Validation Examples Project Progress
5.	07-03-2020	10.30 am – 3.30 pm	Passing data to and from the web form Sessions examples Project Progress

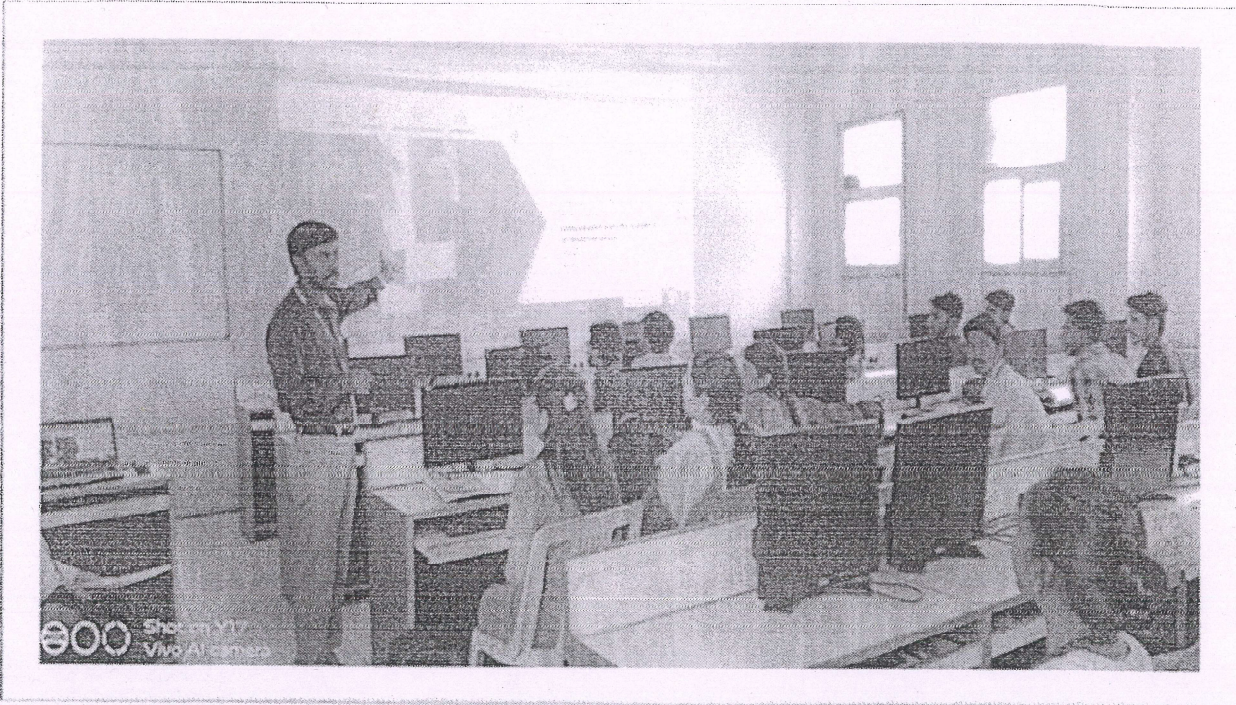

Few classes were handled using zoom app during the lockdown by Prof. Varish P V.

On behalf of the Department of Computer Science we would like to thank our Principal Prof.M.N.Basavaraju , SJRES Secretary and Management for helping our students in completing the project.

Report of State Level FDP on Research Methodology and Data Analysis

Title of the programme: State Level FDP on Research Methodology and Data Analysis

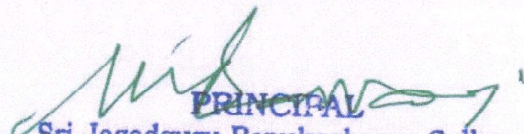

Collaboration: Faculty Development Programme was conducted in collaboration with **Primax Academy.**

Objectives: Data analysis is a part of Research Methodology. Objective of the programme is to bring awareness among young faculty members and some post-graduate students about various means of data collection, sampling, testing hypothesis, analysing data with SPSS, a software used for statistical analysis of data, and testing the data using various tests like Chi-square test, t-test, etc., Also AMOS, an added module of SPSS, used to draw models graphically using drawing tools.

Target Group: Faculty members and post-graduate students.

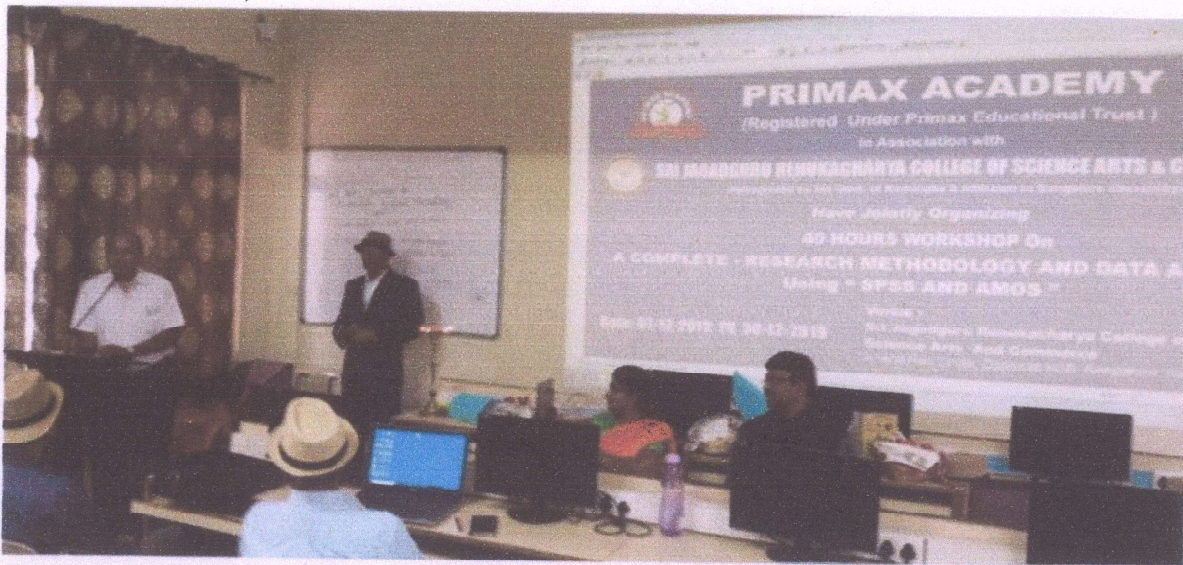

Report: The State level faculty development programme on 'Research Methodology and Data Analysis' was conducted, as an IQAC initiative, from 07/12/2019 to 29/12/2019, on Saturdays and Sundays. On Saturdays it was from 3p.m to 6p.m and on Sundays from 10a.m to 6p.m. 40 faculty members from Karnataka and Tamilnadu participated. The programme was in collaboration with **Primax Academy.** The programme was inaugurated on 07/12/2019, by Prof. Malleshappa, the Director of Collegiate Education, Karnataka. Study materials were provided in advance. Dr. Ramanathan K.V., the Director of Primax foundation supervised the programme. The resource persons were Prof.Dhamendra.H, Faculty, MCW, Bengaluru, Dr.S.Pavankumar, Associate Professor & Head, NIT, Suratkal, Karnataka, Dr.D.Kumaresan, Principal, LASC(W), Dharmapuri, Tamilnadu and Dr.R.Ravanan, Principal, Presidency College, Chennai. The programme was successfully concluded on 29/12/2019 at 6p.m by Prof. Malleshappa, the Director of Collegiate Education, Karnataka. The Principal Dr. Basavaraju M.N., who lead the team, was congratulated by one and all. IQAC Coordinator Ms. Kavitha C. and Associate Coordinator Dr. Meenakshi M.G. attended on all the days. Certificates were distributed.

Outcome of the programme: Participants were able to learn scientific means of research, by learning suitable software for data analysis, which is used in the field of medicine, social sciences, business studies etc.,

**A Report on Multidisciplinary International Conference on "Trends in Global Research in
Information Technology and Their Impacts on Environment"**

Topic: Multidisciplinary International Conference on "Trends in Global Research in Information
Technology and Their Impacts on Environment"

Date: 03/08/2019 and 04/08/2019

Resource Persons: Mr. Rakesh", CEO, Grad XsDr. Aparna. K, HOD, MCA Department, BMS
College of Engineering and Management.

Objective: To understand the trends in information technology/

No. of beneficiaries: 200

Two days Multidisciplinary International Conference on Trends in Global Research in
Information Technology and Their Impacts on Environment was organized by Sri Jagadguru
Renukacharya College of Science, Arts and Commerce (Bengaluru Central University) in
association with "Toucan Research and Development", Jharkhand, India on 3rd and 4th of August
2019.

The keynote address was delivered by Chief Guest "Dr. Patrick Kalifungwa " Vice-
Chancellor, Liutebm University, Lusaka, Jambia, South Africa. He Spoke about Information
Technology and about environmental protection. Prof. Chandrappa N, Registrar, Bangalore
Central University addressed the gathering about the importance of the International Conference.
The Technical session 1 was started by "Mr. Rakesh", CEO, Grad Xs. Later the delegates
presented various papers on topics related to Trends in Global Research in Information Technology
and Their Impacts on Environment.

The technical session 2 started at 3.00 pm. Various papers were presented by the delegates on
different topics covering the theme of the conference. The technical session for the day was
concluded with the cultural program.

Provincial Vice - Secretary: Movement for Multi-Party Democracy – Luapula province
Member of Parliament: Mambilima Constituency 1996 to 2006
Chairman – Economic Affairs and Labor: National Assembly of Zambia 1999-2001
Member of the Committee: National Assembly of Zambia -2001-2003
Of Estimates (Budget)
Member of the Committee: National Assembly of Zambia 1998-1999
On Education Science And Technology
Member of the Committee: National Assembly of Zambia 1997-1998
On Youth and Child Development

Working history in the Government of the Republic of Zambia:

Deputy Minister: Ministry of Finance and National Planning- Responsible for planning and budgeting 2001-2002
Cabinet Minister: Ministry of Tourism, Environment and Natural Resources. 2002-2005

 Sri Jagadguru Kenchiaharya College
 of Science, Arts & Commerce
 Bengaluru-560 009.

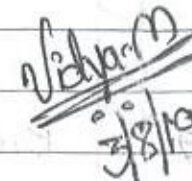

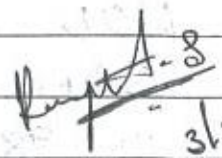

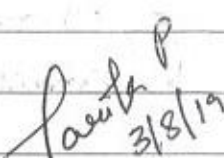

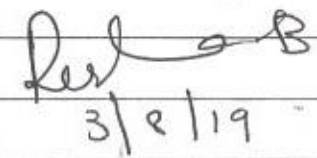

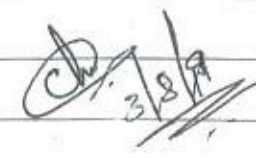

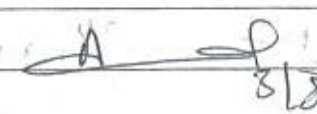

I had been a cabinet Minister responsible for tourism Environment and Natural Resources; transformed the tourism sector and merged the ministries of Environment and tourism into one ministry. Hosted successfully the 28th international congress for the African Travel Association in May 2003, which Zambia was hosting for the third time. The long term vision for the tourism sector was to ensure that the country became a major competitive tourist destination with unique features to contribute to sustainable economic growth and poverty reduction. The strategic vision was private sector mobilization. Spearheaded the initiative to Host United Nations World Tourism (UNWTO) General Assembly by Zambia and Zimbabwe through the IIPT which was held in Lusaka.

Professionally affiliated to the Zambia Institute of Marketing, the chartered institute of Marketing, the Association of Business Executives and also involved in charitable organizations and served as chairman of the Association of Round table in Zambia and have served on a number of boards.
